1308	Dual Lock - Document Cabinet - Light Gray(1)			
4470	Recess Mounting Kit (for concrete/masonry)			
			Total	

(1) NOTE - Part numbers above include the tamper switch. Tamper switch will be monitored by a Fire Alarm Control Panel. Switch should be normally closed/held open (contacts short when door to box is opened).

(2) NOTE- All highrise buildings require both a Dual lock cabinet and a Dual lock box.

NOTE - Prices indicated DO NOT include applicable tax and shipping.

For Orders for more than one (1) KNOX BOX, indicate if more than 1 will be installed at the same address or if boxes are to be installed at multiple addresses, list the building names and addresses on a separate sheet. Provide notes in the section below.

Notes:
